## Self-introduction

Hi, my name is Hui-yu Pan. I'm a senior high school student from Zhushan, Nantou. Most of my friends said that I am a communicated person, also, I'm interested in studying history and keeping up with current events. Therefore, I usually discuss current affairs or what's happening in the world right now with my friends. Having critical thinking and expressing my opinions are my habits. In my opinion, these habits are two of my advantages.
